CLEANING SOLUTIONS

ACCESSORIES

The best solution for a clean screen!

Introducing Cleaning Solutions from Antec Advance, a series of products designed to keep your electronic devices flawless and dust & debris-free. Cleaning Solutions come in a variety of forms including wipes, spray bottles and gel, and they are available in different sizes for convenient home and on-the-go use. Choose from our 100% Natural, 3x Strength and Deep Cleaning formulas for your monitor, smartphone or whatever needs a touch-up. All products are alcohol- and ammonia-free, with anti-static properties that help keep dust off even after cleaning. To keep your monitors and devices flawless and functional, turn to Antec Advance Cleaning Solutions: the best solution for a clean screen!
