

INSPIRED BY
PERFORMANCE.
CRAFTED FOR VALUE.

Meet the DF-10, the Dark Fleet enclosure rocking elite style at an attractive price. Our industry-acclaimed 0.6 mm SECC internals are cooled by TwoCool™ fans pulling air through a blacked-out interior featuring a transparent side window and front washable fan filter. And building with the DF-10 is a snap, thanks to a CPU cutout and cable routing compartment. With a bevy of in-demand features and a rugged exterior, all at a supremely attractive price, the Dark Fleet DF-10 is more than just a low price - it's the value case that gives you more for your money.

Specifications:

- Washable fan filters allows for easy cleaning
