

Pure, Simple Gaming Design.

The Six Hundred is designed for gaming purists. With new features like a built-in hot swap hard drive caddy and CPU cutout, the Six Hundred delivers both the flash and the core essentials, including a hard-hitting cooling system with a 200 mm overhead TriCool™ blue LED fan. The Six Hundred is pure, simple gaming design at its finest.

Six Hundred

Gaming Series

Massive cooling system highlighted by top 200 mm fan

Windowed side panel and top panel moonroof design

Front 2.5" hot swap drive bay
