

## TWO HUNDRED Gaming Cases

### Big Guns. Small Funds.

A head-on collision of value and kickassness, the Two Hundred by Antec is our most affordable gaming case yet. Get the awesome features you expect from Antec, plus brand new features like a built-in hot swap SATA hard drive caddy! The Two Hundred also introduces a CPU cutout for installation of CPU coolers, a perforated front bezel for maximum air intake, plus a whopping ten drive bays! And with menacing style that'll strike fear in the hearts of men, the Two Hundred's got it all. So don't spend an arm and a leg. Sever an arm and a leg (off your opponent!) with the Two Hundred.
