

VSK-1000 New Solution Series

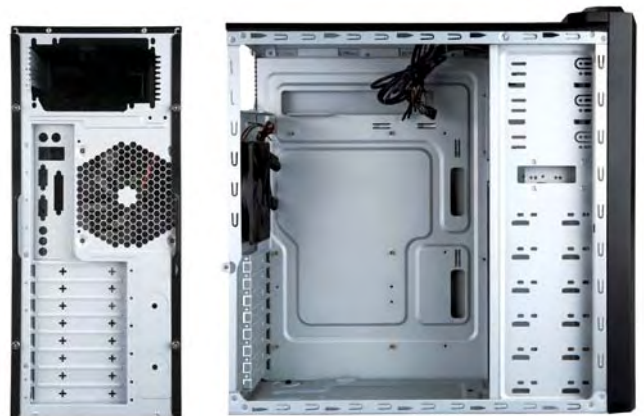

Intuitive Design with Exceptional Value

With its simplicity and elegance, the VSK-1000 delivers excellent functionality at an affordable price. Its clean, perforated front bezel maximizes air intake, working together with the included rear 120 mm TwoCool™ fan to create a professional look that stays cool. 11 drive bays and eight expansion slots support a variety of configurations, while the cable management compartment with included cable ties keep the case neat and organized. Able to accommodate a variety of configurations while offering a sharp appearance, competitive price and an Antec AQ3 limited warranty on parts and labor, the VSK-1000 is the best choice for nearly any value-conscious build.
