

SPECTRA RGB

Headset Stand

Headset Rack x2

RGB Lighting

Desk Mount

Dual-Hanger, Space-Saving Design

Expandable dual arms comfortably hold one or two gaming headsets without taking up extra desk space.

Extendable Arm

Multiple RGB Under-Glow Modes with Memory

One-touch control lets you cycle lighting effects and brightness. Built-in memory restores your last setting instantly.

Cable-Friendly Design

Rear cable routing and built-in phone slot keep your setup clean and organized.

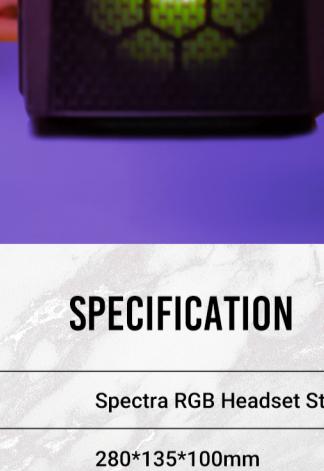

Flexible Mounting Options

Clamp-style under-desk mounting frees up valuable workspace while keeping your headset within reach.

Built-In Accessory Organizer

Keeps spare cables and small essentials neatly stored for a clutter-free desk.
