P7 NEO

TRANSCENDENT PERFORMANCE

Antec Performance Series P7 Neo features the upgraded air intakes in the front and sound-dampening side panels and takes the Performance Series silent cases to the next level. With the white LED power button, ample air intakes, and the support of 3 x 140 mm fans, the P7 Neo not only provides you an outstanding silent experience but also improves the cooling, and it will meet your needs for an ideal working environment.

OPTIMAL AIR INTAKES

Designed for improving your PC's cooling, the P7 Neo is well equipped with an **upgraded front panel** for optimal air intakes.

COOLING SUPPORT

REAR

Radiator Support:
